Infant Spring

Soft and pure fell the snow,
Pure, soft the new lamb lay.
February in the field,
Sun's heat far away,
Wave's cry sad and strange,
Lamb's cry weak and wild,
No buds in the bleak thorn hedge.
Spring is but a tiny child.

ARGUS EYES

Argus Eyes is employed for the entertainment of Argus employees and their families.

It is intended to be a means of meaningful communication with them, and to provide a reliable source of information concerning the company.

Beverly Bullis of the Personnel department makes sure that notice is gathered and that pictures are obtained for announcements in the local fashion for publication about the 12th of the month in the Argus.

Scm Schneider and Gerry Deven- tur will furnish the pictures, unless the employees are to be made with a pen or pencil, in which case mirror Barbara and Ed Palmer are the directors.

Charles A. Burkell, "Bimbo" to all, will be Art Director and Art Consultant. The profile will be done by Harry Rookers.

The beautiful photograph on the cover this month was taken by Don Schweninger, 16 year old son of Vincent Schweninger. It was awarded the Class D Picture of the Week prize by the Detroit Free Press last summer.

Welcome Spring

After a long period of doubt and uncertainty, Spring, that season of budding beauty, has finally made its arrival. How do I know? That's easy, man, and I don't have to look at a calendar. No, I just look around this good old Service Department and see the first green shoots of new life. Yes, Spring is here, and I can already smell that sweet, earthy aroma that only this season can provide.

Father Doing Well

"We never lost a father yet," boasted the doctor when he delivered the 8 lb. 10 oz. bouncing baby boy, on Saturday morning with the fine news. To commemorate this occasion, the men in the Service Department received big black cigars. According to some, it reacts like a tonic which brings forth a feeling of well-being. For example, this past week, the Service Department made a very successful repair on the refrigerator. That's easy, man, and I don't have to look around this good old Service Department to see the results. Yes, Spring is here, and I can already see the smiles on the faces of everyone.

Barbara Smith Weds

After a week's honeymoon, Barb, of Optical Assembly, and Jim will live at 848 E. University Ave. The bride is the daughter of Mr. and Mrs. Raymond Helfrich. The services will be held in the Sales Department, will celebrate her second year at Argus in May, and will look forward to the new opportunities that this season of budding beauty holds.

Bowling Ladies League

Nothing serious has happened in the Argus Ladies Bowling League—those four first-position teams are still in there. Hickey's Service dropped two games to City Slickers, and Atom hustlers fell in third and fourth by one game only. The other positions are as follows; In order, the Happy Gang jumping two places for fifth, the Asil Q's won a lead of Harley Davidson's, who were tied last issue; the After West fell to Harley Davidson's; Sales, At-Gals, Scrivellas, and the Paint Shop remain the same. There has been no change in high or low scores.

The banquet committee is already busy anticipating and planning the year's event of the league, and the nominating committee have their books together too, asking for volunteers to run for office.

Argus Girls in City Tournament

Of the eight teams in our twelve team league who entered the city tournament, three teams were very proud to have made the prize list. Hickey's Service placed fourth with 2577 score, the Scrivellas thirteenth with 3182, and Matt's Stars thirty-eighth with 2482.

In the doubles, Laura Espler and Dorothy Hager found 1003 for 11th place. Alma Fox and Betty Abraham had 1016 for 4th place. Lucille Gau and Carie Carsley had 1016 for 7th place. Thresnel Conley and Doris Lyons had 1026 for 10th place.

In the singles, we are proud of Lucille Gau, who held first place with 609 for a week, and then was only moved out by two pins to put her in second place. Nice effort, Lucy. Dorothy Anderson had 474 for 10th place. Alice Joosz had 552 for 12th place. Laura Espler also had 264 for 1st place. Thresnel Conley, 551 for 2nd place. Laura Swierty, 536, and Runnells Farmers also had 514, both for 5th place. Lucille Gau won the only one who placed in all events, with 3444 for 5th place.

I sincerely hope I haven't missed any other Argus girls who placed on the list. There were many who bowled on teams not in the Argus League. Congratulations to you all.
